Friday Visits
An opportunity to visit St Christopher’s

Friday Visits offer professionals and those working in the health and social care sector the opportunity to learn more about St Christopher’s.

This half day programme will outline some of our history and founding principles, the patient and relatives’ journey through our services and the challenges we face in the future.

During your visit you will meet various members of the St Christopher’s team, who will guide you around the hospice and explain the services we offer.

Please note that the programme is presented in English and the use of a translator is not appropriate for this event. If the Friday visit programme does not meet your requirements, you may be interested in applying for one of our other visitor programmes.

Who is the visit for?

This visit is open to:
• health and social care professionals
• anyone working in the health and social care sector.

What will I learn?

As well as a tour of St Christopher’s, the visit will explore:
• the history of St Christopher’s and the modern hospice movement
• the patient journey through our services
• the future challenges for hospices.

“It has been an eye opener and has given me an idea of what a hospice is about and the services available”
