**Ingredients**
- Double knitting yarn brown and white size 4mm needles
- Green felt
- 3 seed beads
- 1 Ferrero Rocher chocolate (available in abundance at Christmas!) or a Lindt Lindor chocolate fits just as well
- Few inches of glittery thread

**Recipe**
Using brown (leave long tail for sewing up)
- cast on 20 stitches
- k1 p1 rib for 8 rows
- change to white yarn
- knit 2 rows
- knit 1 row,
- purl 1 row
- start decreasing : k1, k2 together along row until last stitch, k1
- purl next row
- K1, k2 tog along row
- p1 row
- cut off thread (leave enough to sew up, thread through stitches on needle)

k = knit
p= purl
tog = together

Sewing up: - Pull stitches on white tight, with right sides together sew up (or sew up on right side - have a look for sewing up tutorial if you have never done this before), stop when you get to the brown. Start from the other end and sew up the brown. Fasten off the end securely.
Using green felt cut out a tiny holly shape with 3 leaves (keep it all in one piece) - see photo above.

Sew 3 red seed beads on and securely sew the whole thing to the top of the pudding. Thread glittery thread through top of pudding and tie securely on the inside, it needs to be long enough to hang on the tree. Fill with one of the wrapped chocolates.

Hang on your tree or use as a table decoration on Christmas Day. Make sure you eat them all during the holiday period, they will not have a long enough date to last for more than a few months. You can keep the knitted part and fill with more chocolate in the following years.
