## About St Christopher's

At St Christopher's we put people at the heart of everything we do. We believe that all dying people and those close to them deserve to have the best care and support, wherever and whenever they need it. We do all we can to make this happen, providing physical, emotional and spiritual support to over 7,500 people across south east London every year. People like you, your mum, your dad, your nan, your sister, your friend, your neighbour.

Many people think hospices are sad, depressing places but that couldn't be further from the truth. We are more than just a hospice; we are the 1,350 volunteers who give their time to make sure people nearing the end of their life and their friends and family know how important they are. We are more than just a hospice; we are the hundreds of staff who work together round the clock to care for people in their homes, care homes or in our hospice buildings. We are more than just a hospice; we are the educators who are passionate about end of life care and provide courses to people all over the world to make sure that hospice services are available for more and more people, wherever they are and whatever their circumstances. We are more than just a hospice; we are the communities of people who fundraise tirelessly through all weathers to raise the £15m we need each year to continue to be here.

To everyone who has helped in any way, big or small – thank you.

Our lottery gift  
voucher is the  
perfect present!

Give a loved one  
or friend the chance  
to win one of 85  
monthly prizes

**StChristopher's**  
More than just a hospice

## Perfect for the person who has everything

When you give our lottery gift voucher, you will be giving a loved one or friend the chance to win one of 85 prizes every month, with a Christmas jackpot of £5,000. And, even if they don't win, they will know that patients and their families have been the real winners!

Gift voucher recipients can activate their membership by phone or online, which means that they can decide when they wish to begin playing.

What they could win	January to November	December
First prize	£1,500	£5,000
2× second prizes	£100	£500
22× third prizes	£10	£50
30× fourth prizes	£5	£10
30× fifth prizes	£5 gift voucher	£10 gift voucher

Plus an extra New Players' Free Gift Draw every month!

## They'll win a feel-good feeling every single month!

Unlike other lotteries, every penny of profit raised by St Christopher's Hospice Lottery helps us provide care for people and families facing the end of life.

Every number in the draw has around an 80 to 1 chance of winning a prize (figures correct as at July 2020). Winners are chosen by a Random Number Generator and draws normally take place on the last Tuesday of the month.

"Winning a cash prize was a great feeling but so was knowing that I was helping patients receive vital care"

Roger from Orpington

## How to apply

All you need to do is decide how much you want to spend – each voucher is worth £30. For example, one voucher will buy one number for six months, whereas two vouchers will buy either one number for 12 months or two numbers for six months.

Simply complete the application form in this leaflet or buy online. We will send the voucher(s) to you with a special greetings card for you to add your own message, or we can complete it on your behalf and send everything direct to them – whichever you decide. If you would like to buy a gift voucher for more than one person, please complete a form for each. Please also remember that all lottery players must be 16 years or older.

Approximately 72p of every £1 raised by the lottery goes directly to the work of St Christopher's. Full terms and conditions can be found at [www.stchristophers.org.uk/lottery](http://www.stchristophers.org.uk/lottery). Thank you for supporting St Christopher's in this fun and exciting way.
